

Chilkoot Trail Modification announcement for the 2024 Duff's Trail Challenge:

Due to extensive flood damage, we are modifying our typical trail challenge requirement for the Chilkoot Trail. This year, for the Chilkoot Trail, we are having participants hike from Bennett Yukon to the cabin at the Summit. This out and back itinerary will make up 33 miles, the same distance of the original Chilkoot hike.

Some helpful information for this new change:

Permits are still required to hike the Canadian side
